Section 1 - Pretest Instructions

		Points Available	Points Received
1	Does the introduction and summary paragraphs follow the proper format of introducing the comparison topic followed by the relevant topics?	4	
2	Was each topic introduced and explained in its own paragraph(s)?	4	
3	Does the comparison topic meet all of the necessary requirements? (Most severe, low probability, plausible/relevant)	3	
4	Was the consequence or severity of the comparison topic explained in the description paragraph(s)?	1	
5	As needed, were test topic qualifiers or time frames clearly presented for each topic?	4	
6	As needed, were definitions and/or examples provided for each relevant topic?	4	
7	Do all topics ask about the examinee's past actions or behaviors?	4	
8	Is there little to no crossover between testing topics?	4	
9	Did the instructions avoid accusatory, emotionally charged, or legalese language?	3	
10	If applicable, were victims or other person's names operationally defined?	1	
11	Was the HTML coding <code><ssml><break time="500ms"/></ssml></code> entered before lists?	1	

Section 2 - Test Statements

		Points Available	Points Received
12	Are there the correct number of TRUE/FALSE statements for each topic?	4	
13	Does every statement follow the proper format? (Intro, topic, declaration phrase)	32	
14	Is every statement unique? (Meaning no two statements are repeated word for word)	4	
15	Does the issue order entered (R1, R2, R3, R4) in the sections under the "test name" match the statements?	4	
16	R1's: Does each R1 statement refer to the same action or behavior?	8	
17	R1's: Does the topic asked about in each R1 statement match the topic described in the pretest instructions? (Including the same time frame or qualifiers)	8	
18	R2's: Does each R2 statement refer to the same action/behavior?	8	
19	R2's: Does the topic asked about in each R2 statement match the topic described in the pretest instructions? (Including the same time frame or qualifiers)	8	
20	R3's: Does each R3 statement refer to the same action/behavior?	8	
21	R3's: Does the topic asked about in each R3 statement match the topic described in the pretest instructions? (Including the same time frame or qualifiers)	8	
22	R4's: Does each R4 statement refer to the same action/behavior?	8	
23	R4's: Does the topic asked about in each R4 statement match the topic described in the pretest instructions? (Including the same time frame or qualifiers)	8	
24	If applicable, were victim's names replaced with the operational definition, like a reference phrase or pronoun?	1	
25	Are all statements balanced or roughly the same length?	4	

Section 3 - Overview

Points Available Points Received

26	Do grammatical errors affect the overall comprehension of the exam?	2	
27	Was the BRG assigned reasonable? (Followed guidelines to setting the BRG)	2
